Let's take a walk down the halls of SHS and remember 1965-66.....remember it as the year of change.....remember controversy.....haircuts..... and clothes.....student council.....foreign exchange student fund.....games.....dances.....classes..... music.....drama.....funny things.....serious things..... loud, wild times and quiet, reflective times.....it was a beginning.....an end.....and in between..... Genesis.....turn the page and begin to relive 1965-66.

Student Life

Snacks to help fill hollow stomachs.....games almost every Friday.....music practice.....Our Town and Carousel.....sometimes students filled the whole school.....sometimes the halls echoed the footsteps of only a few.....There were sounds, toomusic.....a basketball bouncing....cheering..... arguments.....laughter.....tears.....remember.....

Students Worked, Walked, Waited

John deRiso, Pat deRiso and Duane Roucka are pictured filling out a common item to students--tardy slips.

Students often lingered in the gym for studying, relaxing or passing on news of the day with friends.

From the time a student first walks through SHS's entrance till the last time he passes through an exit, he partakes of many activities.

Students signed their names to tardy slips, activated the new candy and pop machine, took walks or manned the lunch-line at noon, or just casually lounged or studied in the gym. Students found that the library offered solitude and the halls offered sociability with students waiting for the "15 till buzzer" to sound the alarm for class time.

If a student prefers staying at school for noon he has the inevitable wait in the lunch line with fellow students.

Sixty-Seven Produce "Our Town"

Rollie Wolfe is caught portraying the nonchalant character of the Stage Manager.

Emily, played by Marie Kracl, and George, portrayed by Bruce Davis, chat in the village soda shop.

"The name of the town is Grovers Corners, New Hampshire-"

With these words the 1966 all school, prop-free play "Our Town" moved into full swing. The production, rehearsed for six weeks, contained 67 characters with no lead parts.

The talk-of-the-town choir director, played by Jerry Chudomelka, directs his choir at George and Emily's wedding.

Christmas Scenes for Winter Ball

Christmas trees, reindeer and a sleigh climaxed the ending of Christmas vacation at SHS's traditional Winter Ball.

The Pep Club, armed with aluminum foil and Ivory "Snow" flakes, created the winter "Dashing Through The Snow" theme for the January 4th event.

Denise Pekarek and Mary Jo Havelka pin paper for table decorations for the evening's event.

The Winter Ball dance provided music by the Echoes while students danced among paper snowflakes.

Joe Faltys, Rollie Wolfe, Jim Hoelscher, Paul Beran, King Ed Neesen, Queen Mary Ann Waak, Kathy Schroeter,

Mary Cerny, Mary Ann Bohaty, and Monica Pokorny were the candidates for the 65-66 Sweetheart Ball.

SHS Presents Lover's Concerto

Crowns of glory and happy smiles were evident on King Ed Neesen and Queen Mary Ann Waak on the evening of the FFA-FHA Sweetheart Ball, February 15. The event was highlighted by a tissue paper heart and arrow hanging from the ceiling and scattered red roses to complete the decorations.

Ed Neesen and Mary Ann Waak beam for pictures after being crowned King and Queen.

A tissue paper heart with arrow swings above the students at the dance following the coronation.

Bodzek, Bohaty Homecoming Royalty

Velvet crowns identified Mary Ann Bohaty and Tom Bodzek as the 1965-1966 Homecoming couple.

Darrell Kluck, Dana Sucha, Kathy Bodzek and Julie Hoppe help hang glittered letters for decorations for the dance.

Tears streamed down Mary Ann Bohaty's face as she was crowned the 1965-1966 Homecoming Queen at the Seward game, October 8. At the dance later she placed the king's crown on Tom Bodzek's head. A tissue paper crown and long-stemmed roses highlighted the homecoming coronation.

The 65-66 Homecoming Court consisted of Marie Krael, Jim Hoelscher, Ann Sahs, Steve Peterson, Queen

Mary Ann Bohaty, King Tom Bodzek, Lana Miller, Ed Neesen, Mag O'Brien and Larry Horejsi.

Sophomores honored as Prom servers for 1965-66 were: Effie Costello, Mike Swanson, Nancy Roubal, Eugene Mastny, Shirley Gaeth, Joe Sobota, Kathy Bodzek, Frank Dudek, Mary Bideaux, John Krivohlavek, Linda

Schneider, Hugh Robertson, JoAnn Kosowski, Bob Hoelscher, Kristi Mihulka, Darrel Voegler, Karen McNally, Alan Gless, Kathy Bell, and Paul Ehernberger.

Genie Depicts Arabian Nights Theme

The 1966 Junior-Senior Prom theme "Arabian Nights," was carried out with a genie from a lamp, brown camels, palm trees, arab tents as table centerpieces, and thousands of stars strung from a net draped across the ballroom ceiling.

Charles Heavican, Junior class president, started the speeches for the evening with the Junior's Toast of Welcome, "Red Tents In The Sunset", followed by senior class president Gale Mares with "Abracadabra" and Mr. Snyder with "Now Our Caravan Departs" or the Philosophy of Life by a Teacher.

The skit, "In The Harem" was complete with dancing girls and a genie. Bobby Lane provided music for the traditional dance following the banquet.

Two amber camels against a palm tree background provided the scene for pictures.

The two main leads of "Carousel", Billy and his wife Julie, were played by Fred Wigington and Louise Macholan.

Evening rehearsals saw Mr. Snyder, dramatics teacher, giving lectures on the rights and wrongs to the cast and dancers, while student director Jim Hoy gave additional tips from notes he took. Jim Finley works on props in the foreground.

The final five minutes before performances found the cast assembled in the library for last-minute instructions. Here, Mary Cerny, who portrayed Nettie Fowler, owner of the spa, and Carol Glodowski listen intently to Mr. Bacon.

Jigger, Billy's seafaring friend, was played by Jim Havelka.

The carnival scene was the opener for "Carousel" with students Diane Zrust, Ann Sahs, Larry Steinberger, Louise Macholan, Fred Wigington, Mike Swanson, Ken Kusik, Butch Dufek, Ken Molacek, Leonard Vanicek,

Bob Langer, Bruce Marxsen, Ann Horak, Marcella Jisa, and foreground Teresa Wachal, and Carolyn Kroeger.

Two Productions Climax Carousel

Carousel, May 16 and 17, was presented to more than 1300 people. The musical involved Billy Bigelow and Julie Jordan from their first acquaintance to his dying and coming back to earth to try to make up all the wrong he had done that now hung on his daughter, Louise, portrayed by Kristi Mihulka.

The production staff was headed by Mr. Snyder and Mr. Bacon, directors, and Jim Hoy, student director.

Mixed chorus and glee members lent a hand in the production through minor parts, playing in the orchestra, crowd scenes, or work on the costume, property, make-up, programs, publicity, lights, tickets, or scenery committees.

Other cast and production staff members were Diane Zrust, Mrs. Mullins; Jim Finley, Heavenly friend; Jim Hoy, Starkeeper; David Vrba, Enoch Snow, Jr.; Leon Foust, Principal; Joe Jonas, Doctor Seldon; Ken Kusik, Mr. Bascombe; Butch Dufek and Terry Kucera, 1st and 2nd policemen; Darrell Kluck, Captain; Kathy Kobza, Arminy; Bart Becker and Gary Dunker, Boatswains; Bruce Marxsen and Larry Steinberger, Carnival Salesmen; Carolyn Kroeger and Teresa Wachal as clowns and Debbie Salak, John Gerard, Renee Svec, Jeff Hrouda, Mike Krivohlavek, Karen Cook, and Mary Gigax as Snow's children.

Production: Kathy Heavican, Choreographer; Jim Hoy and Jim Finley, Stage Managers; Joyce Blatny, Business Manager; Miss Cain, orchestra director; Ken Kusik, Carnival Scene and Program Design; and Sharon Kohler, Marie Kracl, Miss Cain, and Doug Voegler, Rehearsal Accompanists.

Fisherman Enoch Snow was played by Rollie Wolfe and Ann Sahs portrayed his wife and Julie's best girlfriend, Carrie.

Salom Rizk urges students to be proud of their country and way of life in his speech on America.

The free government-sponsored NASA program offered students experiments and newsreels on our national aeronautics.

Five Assemblies Offer Year Variety

Songs, stories, and twisting of words were among the entertainment provided by Jane and Paul Westbrook at the second assembly.

The four 1966 assemblies, ranging from Salom Risk and his speech on America, to the last assembly on Crime Prevention, offered the students a change of pace from the school day for a sum of only 6 1/2 cents apiece.

Portraits and stories of the "First Ladies" by Paula Bishop, and "Musical Magic With Words" provided variety for the students in addition to the free government-sponsored NASA program.

Convocations Honor The Exceptional

Pins, certificates, and words of praise were given February 28 and April 28 at the two SHS honors convocations. At first semester convocation Mr. Baker presented certificates to seven students for having an A average or above and the plaque for having the highest per cent of students on the honor roll to the senior class. The highlight of the spring convocation was the naming of eight honor society members.

Other awards given at the two convocations were the naming of eight Quill and Scroll members, and the announcing of the 1966-67 head cheerleader, Linda Kluck. The new student council president, Charles

Heavican and his running-mate, Linda Scheinder, were installed. Lana Miller, commended in Art Achievement was given a certificate, and Donald Janousek, Alan Gless, and James Havelka were given awards for high scores on Time's Current Event Test. The 1966 Homemaker from SHS, Norma Cahill, was announced and the Curtis Plaque was presented to Kathy Bodzek with her name engraved on it. Charles Heavican, Junior class president, accepted the yell cup for his class, the last to receive the once-traditional award for the most spirited class at pep rallies. FFA boys honored were Stanley Krael, DeKalb Achievement Award; Duane Krula, Star Chapter Farmer; Donald Cech, Star Green Hand; Bernard Valish, crop farming; Paul Beran, dairy farming; Bill Cerny, poultry farming; Dean Vavricek, farm mechanics; John Neesen, soil and water management; Duane Svehla, farm safety; Charles Heavican, public speaking; Adolph Dufek, horticulture; and Ed Neesen, forestry

Recipients of the National Honor Society Scholastic Award are JoEllen Pokorny, Mary

Jane Fichtl, Rosemary O'Brien, Mary Cerny, Margaret O'Brien, Joyce Blatny and Ann Sahs.

Pictured with Charles Heavican, Student Council President for the coming year are the new National Honor Society members, Jeannette Hamata, Bruce

Davis, Mary Waak, Suzanne Miller, Patricia McNamara, Janet Cantlon, Pam Kasperek, and Monica Pokorny.

After four years as Classmates, Mary Ann Ladwig and Fred Wigington take a few moments in the halls to recall memories.

Honor Graduates for 1966 were Margaret O'Brien, Joyce Blatny, Ron Schindler, Terry Sindelar, and Ann Sahs.

"Dr. Sam Dahl, Dean of Nebraska Wesleyan University was Commencement Speaker. He was introduced

by Supt. E. Warren Peterson. Board President Richard G. Folda presented the Diplomas."

Seniors Take Final Steps at SHS

Junior class president, Charles Heavican, leads the grand procession of graduates into the gym for the last time.

"With The Ropes of the Past We'll Ring the Bells of the Future" read the motto of the class of 1966, and with these words the 'ringing out of the old' was finished at graduation exercises.

Mr. Paul C. Baker, principal, presented scholarship certificates to his last graduating class in Schuyler and announced the class Valedictorian, Ann Sahs, and Salutatorian, Margaret O'Brien.

Superintendent E. Warren Peterson introduced Dr. Sam Dahl, Dean of Nebraska Wesleyan University, and his address "Hitching Posts for the Space Age" which stressed belief in God, belief in fellow-man, and belief in self.

The mood was changed with a male quartette singing "Coney Island Baby" followed by presentation of diplomas by Mr. Richard G. Folda, President, Board of Education.

Dr. Sam Dahl, guest speaker for commencement gave his address to seniors entitled "Hitching Posts for the Space Age."

Seniors Joe Faltys and Sherril Brandl hurry to discard robes and caps after the last step in graduation-commencement.

Students Make Use of Library

This year, for the second time, 101 books on tour, available for students to order, were displayed in the library.

Student librarians, once again employed, kept busy checking books, magazines and references in the study halls. The National Honor Society decorated the room with pictures by SHS's art class, and new tables, chairs and book shelves gave the room a different tone.

The library offered the students a quiet studying place over the last part of noon. Accessible for borrowing were reference books, film strips, records, magazines and fiction books, with fines charged to finance extra books and encourage prompt returns.

Students Learn

Work sheets for test review, class quizzes, map reading and student essays on incidents, written as though the student were there, were among the work in history classes. Students learned heritage, events, dates, people, wars, and laws and memorized-or hoped they had-such things as the preamble to the Constitution.

County Government Day once again showed its colors with students speeches in history classes and campaigning for favorites with posters scattered through the school as they registered their "Nationalist" or "Federalist" vote.

Students learned the importance of current events through class discussions, special reports and weekly current event newspapers.

Practical Aids

A walnut-covered cedar chest, a six-foot gun rack, a gun box for shells, knife racks and guitars were a few of the different makings among the usual tables, desks, and lamps made in Industrial Arts.

The Vocational Agriculture students worked on production enterprises, such as raising livestock or growing crops and keeping financial or progress records on them.

The students studied fertilizers, management and took field trips to farms. Individual projects such as painting a sanitation and dray truck occupied most of the students' time.

The mechanical Skills classes busied themselves during the year by rebuilding a truck that was purchased a year ago last summer, and making tests for adjustments on an engine mounted on a test stand.

Fine Arts Teach Appreciation, Skill

Bearing the title of an all-academic course, the art class kept busy with posters, portraits and pop-art through the year as chorus, girls glee, boys glee, and band kept a consistent beat of work, as well as music.

A caroling trip to the Senior Citizen's Home, contest, state clinic, Aksarben, and cutting their first record were the music department's spice of variety along with concerts peppered through the term.

The art class learned other skills like sketching, paper-cut images and a trick of ironing over water-color painting to enhance and deepen color as well as dry them.

Commercial Pupils Use Brain, Sacks

Page after page of shorthand-dictated as well as assigned—was the fate of shorthand and office practice girls under the rule "practice makes perfect".

Work week, indulged in by only office practice class, gave the girls on-the-job-training while typing classes partook of timed writings to quicken their speed, and bookkeeping students worked with journals and ledgers striving to get things to "balance out."

The journalism and publications students took advantage of their privilege of "borrowing" typewriters when they used their typing skills to produce the Tom-Tom and Warrior.

Visual Aids Add

Movie Projectors, records, transparencies and filmstrips were used to teach students languages as a precision instrument this year.

Novels, texts and paper backs along with class discussion developed an interest in the literature, traditions, emotions and heritage of countries and their people.

German courses were introduced to the Audio-lingual foreign language material, records placed in the annex off the library for student convenience with class text books to match and tests developed by a council of German teachers.

Mr. Anderson's English Class read David Copperfield in their study time.

to Languages

After students develop language skills of good reading, speaking, writing and listening they put them to use in Speech classes. Students took part in heated debates, oral interpretations of prose, poetry essays and articles, wrote speeches and learned fundamentals of drama and make-up techniques.

Practical English magazines were introduced to freshmen this year to add to the basic freshmen English skills course.

Sciences, Math

A pre-algebra course stepped into the place of general math as an introduction to algebra and geometry courses were modernized this year with new textbooks. Parts of the Biological Science Curriculum Study were introduced to Biology classes.

Other common sights were physics, chemistry, biology and science students sniffing formaldehyde and chemicals and juggling atoms while algebra, geometry and math students were riddling with equations and square roots.

Mr. Bodzek found a place for his animal menagerie of hamsters, mice, guinea pigs, rats and chickens in his "greenhouse" off the Biology room. Physics students learned that book reports are a vital part for the science minded, too.

Mr. Muehlich's Algebra I class work in the study period given to them.

Former biology students, Tom Bodzek and Brad Garrett inspect lab animals.

P.E. Department Wins Fitness Award

Making a switch from Miss Ostdiek to Miss Mashino in the middle of the term was one among many adjustments for Phys-Ed students. Learning modern dances to their chosen records, the muffled clockito-clockito of the skate boards as they whirled around the gym, gymnastics, and exercises kept the P.E. students "jumping."

The girls also joined in Basketball were enlightened on basics of tennis and badminton, and traveled to the Sky Bowl to learn bowling.

Vocal Ensembles Get I's

A "first" for SHS's vocal department this year was cutting a record of Saint-Saens Christmas Oratorio, with great soloists and string orchestra accompaniment.

This year, Schuyler hosted the District Music Contest where vocal and instrumental departments were awarded a total of 13 superior ratings. Miss Mary Cain conducted the girls' glee this year, which received a superior rating. Madrigal, trio, triple trio, and soloist, David Vrba also received superiors.

Other projects included Christmas caroling at the Senior Citizens home. The musical "Carousel," and the Madrigal represented Schuyler's vocal department at State Music Clinic. The Easter portion of the Messiah was presented with Clarkson High School vocal department and the combined Clarkson and Schuyler community.

The year was completed with the second annual vocal banquet, at which vocal letters and special recognition were given.

Students Aid Mr. Bacon With Band

With Mr. Bacon assuming duty as band director and vocal instructor this year, several band members also became teachers, helping beginning band students master the fundamentals of their instruments.

For the sixth consecutive year the band received a superior rating at the State Marching Festival. The band also presented a winter and spring concert, attended band day, marched in the labor day parade and gave summer concerts.

Two pep bands stimulated school spirit at home games and rallies, and the entire 54 member band played at the State Basketball Tournament in Lincoln.

Woodwind Trio consisting of Joyce Blatny, Margaret Rea and Brenda Kusik was another small group attending District Contest.

"A foreign student in SHS?" - -Aw, come on now!"

In spite of general doubt, the 1965-66 Student Council has made it possible for an AFS Foreign Student to spend a year in Schuyler. Through organization donations, penny drives, and a candy sale, the council raised a total of \$1,041.22 enabling the project to become a reality.

This year the council altered the constitution enabling the president and vice-president to run on the same ballot for election. They must be juniors or seniors during the school year they are to hold office.

SHS traditions were kept alive by the council's sponsoring "Dress-Up" days and "Casual" days, erecting Christmas decorations in the halls, and selling tickets at basketball games.

For the first time chorus was represented on the council.

Science, Math Club Joins FSA

Uniting with FSA (Future Scientists of America) the Science and Math Club received new ideas for projects and were able to compete for awards and scholarships promoted by the Ford Foundation.

Films on the laser beam, demonstrations on the use of the slide ruler, rockets, and modern math were the highlights of some of their meetings. Several Science and Math members attended the science fair held at Wayne. On May 2 the Science and Math Club again held a joint picnic with the German Club to end the year's activities.

The Science and Math Club also added a new office, historian and librarian, held by JoEllen Pokorny.

President Larry Horejsi discusses the plans for the approaching science fair.

Paper, Annual Challenge Journalists

Monica Pokorny and Janet Fichtl look over an annual display at Press Convention.

"Tom-Tom's will be sold this noon in the halls." This familiar sound was heard frequently as the paper was published each two weeks. On an experimental basis the staff also published a printed paper. This year the paper changed from section editors to page editors.

With the added incentive of last year's accomplishments, the publications class worked to keep the Scottsbluff Star Herald Trophy won by the 1965 Warrior for the top Class B Nebraska Yearbook. Getting pictures, writing copy, working on layouts, doing paste-ups and writing heads took much of their time.

Honor Society, Quill & Scroll Select

This year's main project of the National Honor Society was sending used textbooks to Vietnam for the education of the Vietnamese children.

Members are chosen by the faculty on the basis of leadership, scholarship and character. They must carry at least a B⁺ average throughout high school.

Quill and Scroll members are chosen from the upper third of their class on the basis of talent and interest in journalism.

Popcorn Balls! Fresh Popcorn Balls!

Enormous sacks of popcorn balls were a familiar sight first semester. Sales of the popcorn balls and a German film helped the German Club raise enough money to acquire a teacher aide, Miss Elizabeth Stöckly, from Lucerne, Switzerland. Her stay lasted from March 9 until mid April.

Through a skit, a song fest and other club programs, members sharpened their fluency in German and their knowledge of Germanic customs.

FHA Year Busy

SHS's Future Homemakers of America entered the year with a new program of work designed by the National FHA Chapter. Every four years a new program is developed as a guide for state and local chapters.

Besides the regular meetings the first and third Tuesdays of each month, the girls sponsored such projects as Family Night and the Sweetheart Ball, decorated and served the FFA banquet and went Christmas caroling. This year the FHA girls paid visits to the nursing homes.

Cheryll Spies served as the 1965-66 FHA president. The Executive Board consisted of Joyce Blatny, Mary Ann Bohaty, Marlene Kment, Betty McNally, Karen McNally, Sharen McNally and Mary Jo Cerny.

FFA Captures High

Receiving a first National gold medal, getting a first State Secretary, winning the State meats contest, and receiving a Superior Chapter award for the eleventh straight year were some achievements of the SHS FFA this year.

In October the poultry husbandry team of Duane Krula, Ed Neesen, and Bernard Valish which won the state contest last April, placed among the top eight at the National Contest in Kansas City. John Semrad, a National FFA band member and Stanley Kracl, a gold medal winner for hogshowmanship, also attended the National Convention. In April the meats team earned another expense paid trip to Kansas City by winning the state contest at FFA convention.

Placing second in the state were the poultry husbandry and the livestock teams. On the livestock team were Duane Krula, Dale Grotelueschen and Stanley Kracl.

Highlighting the Parent-Son Banquet in November was the presentation of Honorary Chapter Farmer Degrees and a ventriloquist act.

Stanley Kracl, first State FFA Secretary from Schuyler, looks over his duties for next year. Stanley won the District Contest in Wildlife Management and went on to place fifth at state. He is also the winner of the Union Pacific Scholarship.

The poultry husbandry team Lumir Jedlicka, Don Guernsey, and John Semrad received second place at the state convention.

New rules, a new look and a new sponsor were a few of the 1965-66 highlights for the SHS Pep Club.

The year began with the traditional bonfire rally and ended with the All-Sports Banquet. Pep Club also sponsored Homecoming and the Winter Ball, painted signs weekly and had a heart-day gift exchange.

For the first time, members were not allowed to eat during the game nor leave at halftime.

Using gestures to go with pep band music and several new cheers, 120 girls cheered on SHS athletics. Green sailor tops with the addition of white gloves replaced the four-year-old white blazers.

Second semester, with the leaving of Miss Lou Ann Ostdiek, Miss Betty Mashino assumed the responsibilities of Pep Club along with Mrs. Schurman.

S Club Takes Trip

Among the projects of this year's 32-member S Club included selling ball point pens, selling game concessions, and sponsoring the Freshman Invitational Basketball Tournament and the Letterman's Invitational Track Meet.

Steve Peterson was named the 1965-66 athlete of the year and received a trophy for the highest free throw percentage in basketball at the annual All-Sports Banquet at which Forddy Anderson, athletic director at Hiram Scott College, was guest speaker. Tom Bodzek was named outstanding defensive lineman of the football team, and Tom Spale received a wrestling trophy for the most pins of the season.

The athletes closed the year with a trip to Omaha to view Cinerama.

Warriors End 4-5-0 Season

The result of the Warriors up and down football season was a 4-5-0 record, three all-conference players and one honorable mention all-state.

The Warriors got off to what was, literally, an airborne start, beating Wahoo and Fullerton, thanks to an effective Bob Swoboda-to-Steve-Peterson passing attack.

The gridders ruined their undefeated season by dropping a see-saw game to the Blair Bears on the home field. The 20-14 tussle was called by Head Coach Fred Arnold, "our best game of the 1965 season."

The gridders also took a close two-point loss to the David City Scouts before a defensive Homecoming win to the Seward Bluejays.

Things turned sour for the Warriors at this point and they dropped games to Class A Columbus, undefeated Albion and number 1 rated York, before outscoring Crete in the finale. Coach Arnold commented that although the ratings didn't show it, Albion was a better team than York.

Seniors Tom Bodzek, Steve Peterson, and Duane Krula represented Schuyler on the All-Conference lists and Steve Peterson was named for Honorable Mention All-State.

WARRIORS MAKE STATE

After a nerve-shattering district tourney, climaxed by one-point victory over North Bend, the Warriors finally gained a berth in the State Basketball tournament. It had come like rain after a nineteen-year drought, and, although they were eliminated in the first round by Hebron, excitement of the moment could not be suppressed.

The roundballers took the first six in a row, including a second victory in the David City Holiday Tournament. After this, the Warriors met the heavy end of the schedule and dumped tough games to Ord, North Bend, Ralston, Crete, Fullerton, Scotus and York. These losses were compensated for by wins over Seward, Clarkson, and Wahoo. The height of the regular season was a rousing two-point victory over State Champion Millard, dealing them their second and final loss.

Going into the District Tournament at Howells, things were not all wine and roses, but a win over David City and a thrilling overtime win over Scotus brought the Warriors into the finals for the third year in a row. In the grandest of grand finales, Larry Horejsi sank two free throws with eight seconds left to give Schuyler the win and touch off a wild mass surge onto the court.

The first round foe of the Warriors was the Hebron Bears, but their speed and accuracy were too much for the young Warriors. Coach Gene Torczon, commenting on the '65-'66 season, said, "It was a rewarding year, considering that it had to be considered a rebuilding season, and the ending was fantastic. I'm sure the boys can never forget the thrill of playing in the Big Barn and we'll be glad to give it another try next year."

Wrestlers Take Seventh at State

The Schuyler Warriors Wrestling team this year brought home the District Trophy signifying the Championship. Enroute to the Crown, the Warriors accumulated 101 points and qualified seven wrestlers for the State Meet held in Lincoln. These seven qualifiers enabled the Green and White to produce their finest showing at the State Meet in the three years wrestling has been at SHS. The team scored 23 points to finish seventh. Greg Hogel and Tom Spale paced the Warriors by placing second in their respective divisions.

The regular season ended with an 8-1 record, with the only loss coming from the eventual State Champs from Albion.

Four individual records were set during the year. Greg Hogel, a junior in the 120-pound-weight class, turned in the best season record in Schuyler's wrestling history with a 19-1 mark. Tom Spale, senior heavyweight, pinned 9 straight opponents for the most consecutive pins in one season, and, for the most pins in one season, nailed 15 opposing grapplers to the mats. Gary Fendrick, senior in the 103-pound class, lowered the time for the fastest pin with an 8-second effort. This broke the old record set in the 1964-65 season.

Soph Tracksters Show Promise

Frank Dudek prepares blocks for a 100-yard dash.

"I felt that the highlight of the year was the winning of three triangular meets against only one loss and the breaking of the two-mile relay record." This was Head Track Coach and Athletic Director, Fred Arnold's summations of the 1966 cinder season.

The season was climaxed by the District Tournament, where the Warriors placed fourth and qualified four boys for the State meet in Kearney. The qualifiers were Steve Peterson, high hurdles and high jump, Ed Neesen, 440-yard dash, Tom Spale, shotput, and Bob Swoboda, high jump. Tom's shotput performance caused Coach Arnold to call him "our most improved track performer."

The two-mile relay team broke the school and Knights of Columbus record and set the new record of 8:44.6. This team was composed of Bill Saalfeld, Glen Cudly, Gale Mares, and Bob Posvar.

Neither the two-mile nor mile relay team qualified for the State meet and this was, in Coach Arnold's words, "one of our big disappointments."

Teemen and Harriers Successful

"There's not much glory to this sport. It's just for boys who like to run." With these words Cross Country mentor, Alvin Dietrich, described the autumnal sport of Cross Country. The highlight of the '65 season was the district meet in Wayne where Greg Hogel qualified for State. Greg, a junior, finished 14 in the State meet.

This year's record included meets with Hickman, the Crete Invitational, and the St. John's Invitational.

Speaking about next year, Coach Dietrich noted, "We've got some of our boys returning, and we expect some promising freshmen."

The Schuyler Golf Team, coached by Gene Torczon, came through with a 4-1 record in duals and triangulars this year.

The teemen staged their first Invitational Golf meet, featuring seven teams. Seward took the winner's trophy and Schuyler finished second.

For the first time golf teams had to qualify in a district meet in order to go to State. Schuyler placed second in their district.

The Warriors placed fourth in the Lincoln-held State Golf Meet May 21. Wahoo, Omaha Talbot, and York finished ahead of the fairway Warriors, who turned in a 256.

Coach Says. "Girls Outstanding!"

"They were outstanding in spite of the coach." These were Roger Barry's words in relation to his girls track squad. Coach Barry was referring to the fact that he did not have as much time as he would liked to spend with the girls, but their third place as a team in the Midwest AAU girls track meet showed their ability.

The five-state meet was a big chance for the cinderettes and they took home two gold medals. The gold medal winners were Mary Jo Kramer in the 220 yard dash and Colleen Krula in the 50-yard low hurdles. According to Coach Barry, "This meet produced our fastest times in the sprints."

The girls also participated in the Malcolm Invitational and will participate in the Junior Olympics, this summer. This year's squad also received new uniforms. Commenting on next year's squad, Coach Barry said, "We should be better than ever. All of our girls are returning."

Coach Barry was helped this year by Miss Mashino.

“Do people ever realize life while they live it, every, every minute?”.....We dedicate this book to you.....and with it the hope that it helps you realize some of the times that are forever gone.....our hope is that twenty years from now you can thumb through these pages and remember these times..... This is what we want.....to make these 1965-66 times the gone, but not forgotten days of our youth.....We give you the 1966 Warrior.....SHS..... Finis
